Growing in Character

June 2017

Dear Star Center Families,

We hope you enjoy a safe and fun summer! Please save the date for back-to-school events listed below. Online registration for the 2017-2018 school year will begin on August 1, 2017. Parents can fill out registration forms at their convenience and in the privacy of their own home. Don't have a computer? No worries, following is an on-site registration date and time parents can use our Star Center school computers:

Thursday, August 10 from 12:00-6:00 PM

Upon logging into PowerSchool, you will see your student's schedule along with their assigned teacher. Please make sure all information is correct and/or updated when registering online. When registering online we are asking families to complete the online free and reduced lunch application in an effort to provide financial assistance to our students and our school to help offset the cost of field trips and allow Star Center grant opportunities.

At our August 31 Open House, students will have the opportunity to bring in their school supplies, meet their teacher, and have their school picture taken! All students will have their picture taken for lunch cards and yearbook. Photo packages are optional for purchase. Please dress appropriately and remember to smile!

The following fees can be paid online, at the August 31 Open House or stop by Star Center office. Star Center office is open starting Monday, August 7, 2017.
